Volume - 6

Issue - 1

Year-2019

CONTENTS

Null:

Orthostatic hypotension after whole blood donation with various physiologic strategies to prevent fainting responses 1-4

Ganashree C.P, Aparna M, Amrutha A.M, Vijayalakshmi M, Prashanth G

Relation of ABO blood group with blood pressure in 25 - 35 years of age group in normal population of Agra 5-9

Richa Srivastava, Amit Upadhyay

Determination of sex using various parameters of hip bone 10-13

Anjali Prasad, Satya N. Shukla, Abhishek Kumar

Study of pulmonary function tests in patients with bronchial asthma 14-17

Aparajita Chakraborty, Shrabani Barman

The morphometric study of the body of dry human subaxial cervical vertebrae 18-22

Ganesh Khemnar, Rajendra Garud

Classical autonomic function tests in type 2 diabetes mellitus patients with different HbA1c levels: A comparative study 23-26

Vinoth Kumar Selvaraj, Mohan Jayabal, Manishankar Subramaniam, Jyothi Shivalingiaya, Rashmi Ramanath

Evaluation of cardiovascular autonomic function in diabetics and normal individual by using standard autonomic function tests and heart rate variability 27-31

Prakash SB, Md. Ejaz Ahmed Shariff

Stature estimation from forearm lengths in North Karnataka population; India 32-37

Samreen Panjakash, Shashikala Londhe, Amjad Dastageer Mirzanaik

Association between class attendance and internal assessment marks in anatomy 38-40

Sangeeta. M, Varalakshmi K.L

A study on morpho-histogenesis of human foetal pons 41-44

M. Pramila Padmini, B. N Rao

A comparative study of relation of PEFr and anemia in pregnant and non-pregnant females 45-48

Asra Tayyab, K. Anil Kumar, K Amrutha Kumari

Cadaveric incidence of renal artery variations at SRTR Govt. Medical College Ambajogai 49-52

Nilima Patil, S. S. Dhapate

Comparative cross sectional study on heart rate variability in female patients with rheumatoid arthritis 53-56

Sheena

Morphometry of proximal end of femur in population of Telangana state and its clinical application 57-60

K. Sreenivasa Reddy, P. David Anand Kumar

A study on various positions of vermiform appendix in adult human cadavers 61-64

K. Lavanya devi, V. Lokanayaki

Analogy and collation of Valsalva manoeuvre and Ball compression on pain during arteriovenous fistula cannulation in patient with chronic renal failure on haemodialysis 65-67

Meenu S, Satheesh Balakrishnan

Does digital screen exposure cause dry eye? 68-72

Mehak Mufti, Sheikh Imran Sayeed, Iram Jaan, Saima Nazir

Effect of mindfulness meditation on attention and working memory in elderly people 73-76

Naren Kurmi, Bhagyalakshmi K, Rekha D Kini

Effect of occupational exposure to dust on pulmonary function tests in individuals working in saw mills in Raichur district 77-80

Praveen Patil, K Vijay Krishna

Cross sectional analysis of positional and numerical variations of mental foramina in dry human mandibles 81-84

Urvi H. Dave, Sunita Gupta, Rajesh Astik

Association of age, gender and duration of diabetes with distortion product otoacoustic emissions in type 2 diabetes mellitus 85-88

Rajesh P, Devendra Singh Negi

Incidence of structural chromosomal anomalies in patients of acute myeloid leukemia in North Indians 89-92

Rakesh Kumar Verma, Sangharsh Rao, Navneet Kumar, U.S. Singh, Archana Kumar

Micro albuminuria in type 2 DM- prevalence and its association with microvascular complications 93-97

Ramidha VP, N C Sebastin, Nisha Bhavani

Comparative study of pulmonary function in human beings exposed to cotton fiber and non-exposed human beings 98-102

P. Pavana Roy, S. R. Manjula, K Siddhartha, K. Sudhakar

Effect of short term exercise on cardiorespiratory parameters in exercise trained and untrained young adults 103-108

K Senthil Kumar, Saraswathi Ilango, Madhan Srinivasan, Sai Karthik

Effect of ambient air quality on functional exercise capacity and pulmonary function in healthy

young adults 109-112

Shivani Agarwal, Anish Bhardwaj, Mitasha Singh

Study of BMI, haemoglobin and blood pressure in subjects visiting OPD's of a medical college in Lucknow, Uttar Pradesh 113-117

Anzar Bashir Alvi, Shah Mohd. Abbas Waseem, Pulak Raj

A study of palmar dermatoglyphics in type 2 diabetes mellitus in a Bangalore based population 118-125

Supraja Srivatsava, Sathyamurthy Burli

Body composition and aerobic capacity of judokas and controls: A comparative study 126-129

Jayasudha K, Veeresh Itagi

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
